PROGRAM DESCRIPTION

Daegu Health College's Global Student Leadership Program 2015 offers students the opportunity to undertake a challenging extra-curricula program for a period of 12 days, from August 11 to 22, 2015. Centered on the theme "Meeting the Global Challenge: Creativity, Profession, and Humanity," the program targets students who are interested to see their personal growth in inclusive environments and how student leadership can impact global issues and global change.

Lectures and discussions will be conducted in English and cover topics such as cultural diversity, intercultural communication, and key problems in global communities. This program will also feature a variety of activities conducted outside the classroom to engage student leaders in student leadership projects and provide the opportunity to explore Korean culture. Activities will include an introduction to the Korean traditional/popular dance, cooking contest, volunteering, practicum according to their major, and field trips.

At the closing ceremony of the program, students are required to make a group presentation or performance and will receive a certificate for the completion of the program.
