Admission Number

Doctor of Philosophy Programme in Materials Science and Engineering (International Programme)

Faculty of Science

Admission Requirements

A candidate must:

Plan 1

1. Students must hold a Bachelor or Master degree in Science, Engineering, or related field;
2. Receive a cumulative GPA of at least 3.50;
3. Student should have experience in scientific research and participate in the MOU project between Mahidol University and origin affiliation
4. Students who are studying in Master’s Program in Materials Science and Engineering can request the change of status to doctoral degree, provided that they have already complete the first year in the program at the Master’s degree level with GPA not less than 3.00. This request must be formally submitted and approved by Master’s Program Committee and Doctoral Program Committee as with as the Dean of the Faculty of Graduate Studies.
5. Have a TOEFL ITP score of at least 500, TOEFL Internet-based score of 61 or IELTS score of 5.

Exceptions from the above conditions may be granted by the Programme Committee and the Dean of Faculty of Graduate Studies;

Plan 2

1. Students must hold a Bachelor degree in Science, Engineering, or related field with a grade point average of at least 3.50 or
2. Hold a Master degree in Materials Science and Engineering, Science, Engineering, or related field with a grade point average of at least 3.50;
3. Have a TOEFL ITP score of at least 500, TOEFL Internet-based score of 61 or IELTS score of 5.

Exceptions from the above conditions may be granted by the Programme Committee and the Dean of Faculty of Graduate Studies;

Additional advantages of the programme

The program is research oriented program with the special emphasis on surface science, advanced materials, composites engineering materials, nano-materials, biological materials, corrosion and molecular engineering.

Details of Scholarships

1. Scholarships for International Graduate Students.
2. Scholarship of the 60th Year Supreme Reign of His Majesty King Bhumibol Adulyadej.
3. Institutional Strengthening Program.

Application Process

Application is only available via online application at www.grad.mahidol.ac.th

Required Documents

Prepare the following required documents to submit via online admission system or post:

1. Completed an Online Application at www.grad.mahidol.ac.th which comprised with
   Form A: Application Form
   Form B: Background and Proposed Field of Study
   Form C: Recommendation Forms (directly submitted by at least 2 referees)
2. Two copies of Degree Certificate (with officially certified English translation)
3. Two copies of Academic Transcript (with officially certified English translation)
4. Two copies of Recent Photos (Passport size)
5. Two copies of Passport
6. Two copies of English certificate (TOEFL/ IELTS/ MU-Grad Test)

(For Doctoral Program)
- TOEFL ITP score of at least 500, TOEFL Internet-based score of 61, or IELTS score of 5

(For Master’s Program)
- TOEFL ITP score of at least 480, TOEFL Internet-based score of 54, IELTS score of 5 or MU GRAD TEST score of 60.

Notes
- Only accept TOEFL ITP score from examination center arranged by Faculty of Graduate Studies, Mahidol University.
- TOEFL ITP taken from other domestic and overseas institutes are invalid.
- The test date must be within previous 2 years before application date
- Applicant who obtained a valid English score must submit an official score certificate along with your application. Otherwise, your English score will not be considered.
- Detail of English Competency Standard for Admission:

7. Two copies of Curriculum Vitae
8. Two copies of Statement of Purposes and Career Goals
9. Two copies of Current bank statement / Scholarship letter (if any)
10. Two copies of Concept paper / research proposal (recommended for all applicants)
11. Two copies of additional documents may be requested by each program (such as letter of work experience / professional license/ related certificates and awards)

Submitting documents via online admission system.
- All documents must be in pdf format (maximum size 2 MB)
- Recent photograph must be in jpeg format only (maximum size 2 MB)

Job option after graduation
1. Material Science and Engineering researcher
2. Business developer in material science and Engineering
3. Specialist and consultant in material science and Engineering and related field.

Further information may be obtained from the Director of Graduate Studies,
Materials Science and Engineering.

1. Asst. Prof. Teerakiat Kerdcharoen  (E-mail: tomesak.sri@mahidol.ac.th)
   Room K410, Biology Building, Floor 4,
   Department of Physics, Faculty of Science.
   Tel: 0 2201 5856  Fax: 0 2644 5426

2. Dr. Dakrong Pissuwan  (E-mail: dakrong.pis@mahidol.ac.th)
   Room B400, Biology Building, Floor 4,
   Multi disciplinary Unit, Faculty of Science.
   Tel: 0 2201 5935  Fax: 0 2644 5426
Program Coordinator
Mrs. Saijai Pengoun (E-mail: saijai.pen@mahidol.ac.th)
Room B400, Biology Building, Floor 4,
Multi disciplinary Unit, Faculty of Science.
