Research Proposal Guideline

Doctor of Public Health

Research Proposal: Write research proposal in the area of interest. This proposal may be a potential dissertation proposal for the doctoral program. The areas of interest should be congruent with the Department specialty areas which the applicants can retrieve from the application manual.

The proposal includes:

1. Title (or cover) Page
2. Introduction (Background & Significance)
3. Statement of the problem/ Research question
4. Objective of the research, and/or Hypothesis
5. Expected benefit from this proposal
6. Review literature (including conceptual framework)
7. Research Method
8. References

The proposal should not exceed 5 pages in English. The proposal must be submitted with the application to the Secretary of the Public Health Doctoral Program no later than **(First Round) December 4, 2015** and **(Second Round) February 12, 2016**
