

Department of Chemistry MAHIDOL UNIVERSITY

Application form APPLICANT: Please provide name

(First)	(Last)

Please send this form to Director of Graduate Program in Chemistry by post only

(Please specify the field of study, e.g., organic chemistry, inorganic chemistry, catalysis, analytical chemistry, physical chemistry, chemical physics, or macromolecules at the lower right corner of the envelope containing documents sent to the Department of Chemistry) This application form together with the statement of purpose must be sent by the applicant to the <u>Director of Graduate Program in Chemistry, Department of Chemistry, Faculty of Science, Mahidol University, Rama 6 Road, Bangkok 10400 Thailand</u> by post only. The three recommendation letters, each sealed in enveloped signed by the recommender, are sentseparately to Director of Graduate Program in Chemistry at the above address. within January 5th, 2015 (for the Applicants in the First round) or by April 16th, 2015 (for the Applicants in the Second round).

3. Additional information about the applicant

Mailing the completed recommendation letter: Seal the recommendation letter and this completed form in an envelope and sign your name across the seal. Return the signed, sealed envelope to the applicant well before the deadline indicated. Alternatively, you may send it directly to the Director of Graduate Program in Chemistry, Department of Chemistry, Faculty of Science, Mahidol University, Rama 6 Road, Rajdhevee, Bangkok 10400. Tel: (02)-201-5110-2 or Fax: (02)-354-7151.

Institution: Address:

(Please specify the field of study, e.g. organic chemistry, analytical chemistry, physical chemistry and chemical physics, catalysis, or macromolecular chemistry at the lower right corner of the envelope containing documents sent to the Department of Chemistry). This recommendation letter will remain confidential during the admission process and will only be used in its procedures in admission and fellowships.
